BROOKLYN, N. Y.

GENTLEMEN :

In presenting you our Catalogue of Cemetery Goods, we beg to call especial attention to our new patterns of Gates and Railings, which are both elegant and unique in design, and in strict keeping as to adaptation for Enclosures in Cemeteries.

In addition to the goods shown in this book, we furnish Chain, Pipes and Bars cut any size to order. Prices thereof are given in the herewith enclosed Price List, but the same are subject to the changes in the market rates. However the same may be, we pride ourselves that we are able to furnish them at lower figures than they can be supplied by any one else in the trade.

Soliciting your orders, we remain,

Yours respectfully,
